Dear Sir!

You are cordially invited to participate in **the International Scientific and Technical Conference «Sensors and Systems – 2011» on «Topical Issues of Design and Application of Smart Sensors and Systems for Monitoring and Control of Technically Complex Objects for Aerospace Equipment and Space Launch Complexes»**, dedicated to the 50<sup>th</sup> anniversary of Y.A. Gagarin spaceflight, 50<sup>th</sup> anniversary of JSC «NIIFI» foundation and 300<sup>th</sup> anniversary of M.V. Lomonosov birthday, to be held in Novorossiysk, v. Abrau-Dyurso, h. Maly Liman, boarding house «Zvezdny» **from September 5<sup>th</sup> to 10<sup>th</sup>, 2011.**

Purpose of the conference is the lessons-learning, progress exchange in solving topical issues of creation and application of smart sensors and systems for monitoring and control of technically complex objects for aerospace equipment and space launch complexes.

Host of the conference is Joint Stock Company «Research Institute for Physical Measurements» from the Federal Space Agency with the participation of Scientific Design and Technological Department «Piezopribor» SFEDU.

Due to the necessity of **timely room reservation** and conference programme specification, please up to August 15<sup>th</sup>, 2011, arrange **the payment of registration fee** and send or e-mail your filled entry form to the following fax number or e-mail: (8412) 55-14-99 or [info@niifi.ru](mailto:info@niifi.ru).

Contact person: Alexander N. Semkin, Scientific-Analytical Complex Head, Nadezhda V. Banaylis, Deputy Marketing Department Head. Telephone: (8412) 56-57-23, 56-50-14, e-mail: [nao22@niifi.ru](mailto:nao22@niifi.ru).

**Bank connection for the registration fee:**
